The Community Foundation of Southern New Mexico is excited and challenged by a growing recognition of the power of philanthropy to bring meaningful change to southern New Mexico. Each corporate philanthropy investment, regardless of the amount, grows the ripple of philanthropy created in our community.

**LONG-TERM COMMUNITY BENEFITS**

For more than 30 years, the Community Foundation of Southern New Mexico has been dedicated to improving our region and connecting donors to the most pressing needs of southern New Mexico. As a center for charitable giving, we support the arts, feed the hungry, expand literacy, improve health, and support countless other meaningful causes in Catron, Chaves, Doña Ana, Sierra, Otero, Grant, Hidalgo, Lincoln, Socorro, and Luna counties. As a corporate partner with the CFSNM, your dollars are invested in creating lasting change for our community.

**WHERE DO YOUR DOLLARS GO?**

Corporate philanthropy supports the CFSNM Community Impact Fund, enabling our work to truly improve our community throughout southern New Mexico. This includes expanding the Foundation’s grant-making and nonprofit capacity initiatives, and overall philanthropic impact in each of the ten counties we serve. As we continue to expand our impact in the region, your support will allow your business to create a lasting impact in southern New Mexico.

100 WHO GIVE LAS CRUCES

The CFSNM team, with extensive help from our volunteers, has kicked off three giving circles to support direct impact giving. 100 Who Give Las Cruces, Hispanic Leaders in Philanthropy, and the Boomerang Philanthropist. Boomerang Philanthropists are our neighbors and friends who grew up in southern New Mexico but moved away for school or work, yet they still have a passion to see this community thrive. Hispanic Leaders in Philanthropy are dedicated to growing philanthropy by embracing the unique culture in our region. Finally, 100 Who Give Las Cruces is an outlet for anyone to have the means to give back to organizations that work to make southern New Mexico a great place to live.
